

7 things to know & voice about the Migration Network Hub

GCM-Mandated

The [Migration Network Hub](#) is the official online platform for knowledge-sharing on GCM implementation (learn more [here](#)).

Share knowledge outputs

Anyone working on the GCM can [apply](#) for an account and [submit](#) resources, links, videos, and events for publication on the Hub.

Channel good practices

The [Repository of Practices](#) actively seeks submissions from Member States, organizations, and other actors implementing the GCM at local, national, regional, and global levels.

Participate in a discussion - or start one

Registered users can participate in [discussion spaces](#) and also propose new topics (see [guidelines](#)).

Dive into the knowledge

The Hub features 2080+ [experts](#), 1600+ [resources and links](#) and 250+ [practices](#), among other content (as of October 2023).

Access Network support

Support is available to [UN Country Teams](#) & [Member States and other stakeholders](#) through direct requests and online guidance, including guidance and tools developed by the Network's workstreams to-date.

Tell us what you need

Fill out the [feedback form](#) or contact us at GCMHub@iom.int anytime to discuss your needs.
