Chan. 2021.111

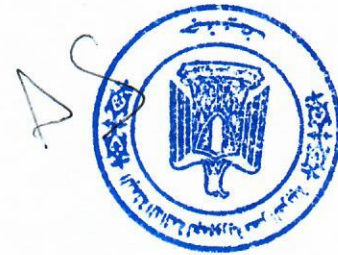

The Permanent Mission of the Arab Republic of Egypt to the United Nations Office, the World Trade Organisation and other International Organisations in Geneva presents its compliments to the United Nations Migration Network, and with reference to the call issued by HE Mr. Antonio Vittorino in his capacity as Coordinator of the Migration Network for expressions of interest to join the 'Champion Countries' initiative in support of the Global Compact, for Safe Orderly, and Regular Migration (GCM), has the honour to convey the desire of the Arab Republic of Egypt to join the aforementioned initiative as a 'GCM Champion Country'.

Egypt was actively engaged in the process of elaborating the GCM. As a country of origin, destination, transit and return, we are committed to the GCM's comprehensive 360 degree approach to migration management. Egypt has therefore embarked on a process of national GCM implementation led by an inter-ministerial committee that is guided by a whole-of-government, whole-of-society approach.

We look forward to collaborating with the Migration Network to generate momentum in support of GCM implementation and to benefit from technical, capacity-building and other types of support.

The Permanent Mission of the Arab Republic of Egypt avails itself of this opportunity to renew to the UN Network for Migration the assurances of its highest consideration.
