

## IMRF Dialogue Series

### Webinar in preparation of Round Table One: Agenda

19 January 2022 15.30 CET

#### Dialogue

To support Member States and other relevant stakeholders in preparing for the International Migration Review Forum (IMRF), the primary intergovernmental global platform to discuss and share progress on the implementation of all aspects of the Global Compact, the United Nations Network on Migration (Network) is hosting the Migration Dialogues series (January – April 2022).

This webinar aims to offer an open and inclusive space where Member States and all other relevant stakeholders can discuss approaches towards achieving effective, principled migration governance for the benefit of all. The deliberations aim to assist Member States and other relevant stakeholders to prepare for the IMRF roundtables and policy debate in NY on 10-13 May 2022. They will also provide input to the background notes for each of the round tables and for the policy debate.

*Interpretation will be available in English, French, Russian and Spanish*
