

IMRF DIALOGUES

Round table 2 Consultation

Agenda

Dialogue

To support Member States and other relevant stakeholders in preparing for the IMRF (the Forum), the United Nations Network on Migration (Network) is hosting the Migration Dialogues series (January – April 2022) on its [Migration Network Hub](#). These events offer an open and inclusive space where Member States and all other relevant stakeholders can discuss approaches towards achieving effective, principled migration governance for the benefit of all. These deliberations are designed to assist Member States and other relevant stakeholders to prepare for the Forum’s roundtables and policy debate. They will also provide input for the background notes for each of the roundtables and for the policy debate. The draft background notes are attached in annex to the agenda and will be finalized further to the Dialogue.

Discussion space

To ensure meaningful and lasting interactions between participants, speakers and Network members on topics related to the Roundtable 2, the Network has created a dedicated [discussion space](#) on the Migration Network Hub where participants can ask questions and share recommendations and good practices ahead, during and after the Dialogue.

Format

The interactive webinars will feature panels of experts from UN entities and other relevant stakeholders. They will be organized by UN Network members. Stakeholders will be involved in the organization of the webinars, as appropriate.

The webinars will provide ample space for questions and interventions from the floor. Organizers will ensure geographic diversity and gender balance among the panellists and encourage diverse engagement from the floor.

Interpretation will be provided in English, French, and Spanish.
