

TARGETED CITY ACTIONS

ACMALS

Improving the Coordination of Migration of Local Actors in Sfax

OBJECTIVE

The action aims to establish coordination mechanisms between local authorities, public services and civil society organisations; strengthening thereby the capacity of local actors and improving access to socio-economic rights through a reception centre providing legal and social assistance to migrants.

ACTIVITIES

- Plan 3 training courses and 3 workshops on migration for local actors;
- Arrange exchange visits by a delegation of municipalities;
- Establish a local platform on migration;
- Compile a booklet of recommendations on the integration of migrants;
- Organise a regional cooperation congress;
- Organise 3 awareness and information workshops for migrants;

OUTCOMES

- Improved local actors' knowledge on migration;
- Established coordination mechanisms among migration actors;
- Operational reception centre, and the coordination among actors;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Implementation of welcome instruments
 Multi-level governance and cooperation
 Access to social and political participation

SUSTAINABLE DEVELOPMENT GOALS

5.1 End discrimination against women

10.7 Facilitate migration of persons

16.6 Develop effective and accountable institutions

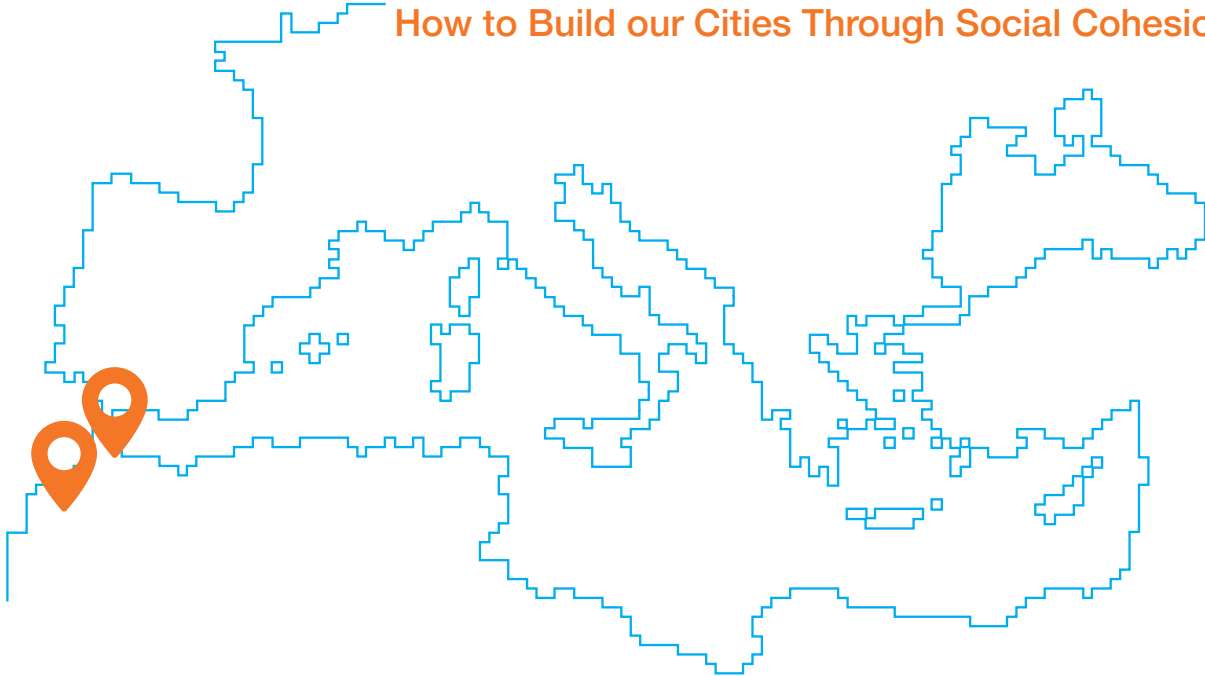

17.9 Promote international support for targeted capacity-building

TARGETED CITY ACTIONS

Living Together

How to Build our Cities Through Social Cohesion

OBJECTIVE

The objective of the action is to improve spatial planning and enhance the social cohesion of migrant populations, in order to build more welcoming and livable neighbourhoods in Morocco.

ACTIVITIES

- Conduct a study of disadvantaged neighbourhoods and the vulnerabilities associated with migrant status;
- Train social educators, neighbourhood agents and community teams on the different approaches of migrants' social inclusion;
- Develop a neighbourhood intervention plan;
- Facilitate the exchange of good practices between cities of Morocco and Andalusia;
- Create an alliance between civil society organisations and the municipalities;

OUTCOMES

- Improved intervention capacity within the territory of the migrant population and the population wishing to migrate, through participation and social cohesion in the cities of Tetouan, Larache and Alcazar-Quivir;
- Exchanged realities of both shores of the Mediterranean, knowledge acquired and good practices implemented in the cities to create a fair territory;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Access to education
Access to social and political participation
Protection against discrimination
Governance and cooperation at multiple levels

SUSTAINABLE DEVELOPMENT GOALS

- 4 QUALITY EDUCATION**

TARGETED CITY ACTIONS

Local Governance of Migration in Lebanon

OBJECTIVE

The objective of the action is to support the Lebanese local authorities in defining a roadmap to improve the governance of migration at the local level.

ACTIVITIES

- Collect data on local migration governance;
- Conduct 3 participatory workshops with local stakeholders to agree on a roadmap;
- Organise a national conference to validate the roadmap and develop an action plan;

OUTCOMES

- Provided technical recommendations for migration stakeholders supporting their actions at the local level;
- Developed dialogue channels between national and local stakeholders in the field of migration;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Provision of welcome instruments
Access to social and political participation
Protection against discrimination

SUSTAINABLE DEVELOPMENT GOALS

10.2
Promote social, economic, and political inclusion of all

11.7
Provide access to inclusive public spaces

16.6
Develop effective and accountable institutions

TARGETED CITY ACTIONS

Nador an Active City for Living Together

Promoting Inclusion and Interculturality

OBJECTIVE

The objective of this action is to contribute to the development of social and sustainable cities in Morocco, through promoting inclusive discourse on migration and encouraging dialogue, mutual understanding and participative democracy in the city of Nador.

ACTIVITIES

- Conduct 3 training workshops for teachers to promote inclusion and interculturality;
- Organise interactive exhibitions for students to foster creative thinking and problem solving skills;
- Form 'Nador Children Municipal Council' as an experience of participatory democracy and develop its action plan;
- Transfer the experience of the 'Nador Children Municipal Council' to the Municipality of Oujda;

OUTCOMES

- Improved perception on otherness, inclusion and interculturality in the city of Nador;
- Showcased positive and intercultural values;
- Integrated values and a human-rights approach into municipal action plans on migration;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Access to education
Access to social and political participation
Protection against discrimination

SUSTAINABLE DEVELOPMENT GOALS

4.a
Build inclusive learning environments for all

4.7
Promote a culture of appreciation of cultural diversity

11.3
Enhance inclusive and sustainable urbanisation

17.9

TARGETED CITY ACTIONS

Nador Social & Sustainable

Promoting Intercultural Dialogue and Migrants Social Inclusion

OBJECTIVE

The objective of the action is to contribute to the development of social and sustainable cities in Morocco, through fostering social inclusion in the Nador province.

ACTIVITIES

- Train media professionals to counter negative stereotypes on migration;
- Enhance stakeholders' capacities on migration;
- Raise public awareness on a more balanced narrative on migration;
- Organize the 'Interculturality Week';

OUTCOMES

- 40 creative narrators (18 women) are trained to propel positive discourse on migration;
- 7000 inhabitants have access to knowledge on migrants' concerns on social inclusion;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Access to social and political participation
Protection against discrimination

SUSTAINABLE DEVELOPMENT GOALS

4.7
Promote a culture of appreciation of cultural diversity

17.17
Promote effective public and civil society partnerships

16.10
Ensure public access to information

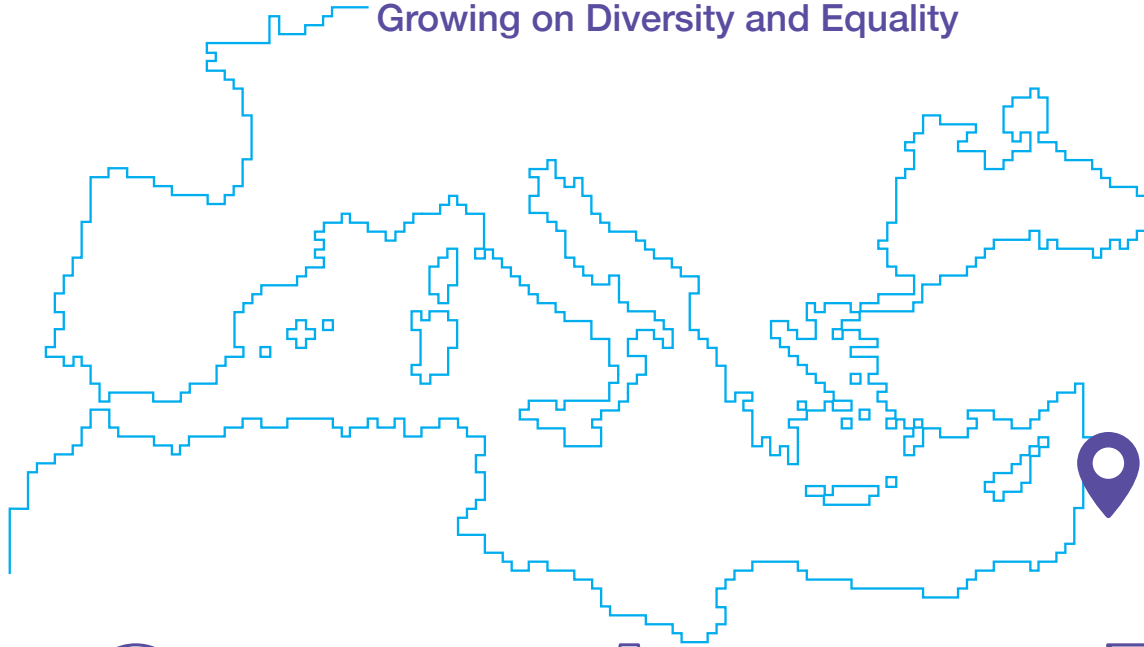

16.b
Promote non-discriminatory laws and policies

TARGETED CITY ACTIONS

Ramallah Inclusion Policy

Growing on Diversity and Equality

OBJECTIVE

The objective of the action is to create a unified vision among stakeholders through introducing a 'local social inclusion policy' to empower migrants' active participation in the social and economic life in the city of Ramallah, and promote a better sense of belonging for all citizens.

ACTIVITIES

- Form a Steering Committee for policy development by representatives of all sectors and society groups;
- Launch and adopt a 'local social inclusion policy' by all city stakeholders;
- Raise awareness on the importance of social inclusion of all groups;

OUTCOMES

- Adoption of a 'local social inclusion policy' by the Municipality of Ramallah;
- Endorsed wellbeing, economic and social empowerment of marginalised groups in the city;
- Reinforced sense of belonging of all citizens, and increased participation in strategic decision-making in Ramallah;
- Increased awareness on the significance of social inclusion of all groups;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Access to social and political participation
Protection against discrimination
Multi-level governance and cooperation

SUSTAINABLE DEVELOPMENT GOALS

5.c
Adopt policies to promote gender equality

10.2
Promote social, economic, and political inclusion of all

11.b
Implement integrated policies towards inclusion

16.7
Ensure inclusive decision-making at all levels

TARGETED CITY ACTIONS

Tangeraccueil

Promoting Partnerships for Migrants' Reception and Integration in Tangier

OBJECTIVE

The objective is to reinforce the role of the Municipality of Tangier as a structuring actor for migrants' social integration and access to rights and services.

ACTIVITIES

- Set up a "one-stop-shop" for migrants' services;
- Reinforce capabilities of municipal staff;
- Establish an 'Immigration Council' to organise migration stakeholders' services;

OUTCOMES

- Operational 'Local Migration Office';
- Strengthened capacities of local authorities on migration;
- Strengthened city-to-city partnership;
- Established role of 'Immigration Council';
- Strengthened city stakeholders' cooperation and network;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Provision of welcome instruments
Access to social and political participation

SUSTAINABLE DEVELOPMENT GOALS

10.2
Promote social, economic, and political inclusion of all

Promote international support for targeted capacity-building

17.17
Promote effective public and civil society partnerships

TARGETED CITY ACTIONS

Zarqa

Enhancing Social Cohesion in Zarqa Through Public Spaces

OBJECTIVE

The objective of the action is to improve safe and inclusive access to public space in Zarqa, pave the way for cultural exchange, tolerance and willingness to sustain dialogue and help reduce social tension between Syrian refugees and local community, through the creation of a public space in Al Majd Residential City.

ACTIVITIES

- Conduct capacity building activity for the Housing and Urban Development Corporation (HUDC) staff and stakeholders on using public spaces for integration;
- Conduct a regional workshop on public space toolkit;
- Conduct a 'Block by Block' workshop to engage community members in planning public space;
- Conduct a painting activity for the local community;
- Contract youth/women in the construction process;
- Produce an awareness-raising video, sharing the whole experience of the project;
- Develop operation and maintenance plans with the Housing and Urban Development Corporation (HUDC) and Al-Majd City community groups;
- Establish a local committee to guarantee maintenance of the public space and build community ownership;

OUTCOMES

- Strengthened understanding of Housing and Urban Development Corporation (HUDC) staff, key stakeholders and wider communities on the transformative power of public spaces for increased social cohesion and Local Economic Development;
- Enhanced safety, social cohesion and inclusiveness in Al-Majd Residential City in Zarqa through the provision of safe, inclusive and accessible public spaces, targeting men, women, children, youth and people with disabilities;
- Improved attitudes and behaviours related to refugees, women's and girls' rights to enjoy public spaces, through social interaction between local community and Syrian refugees;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Provision of welcome instruments
Access to social and political participation
Urban planning and access to adequate housing

SUSTAINABLE DEVELOPMENT GOALS

10.2 Promote social, economic, and political inclusion of all

10.7 Facilitate migration of persons

11.7 Provide access to inclusive public spaces

16.7 Ensure inclusive decision-making at all levels

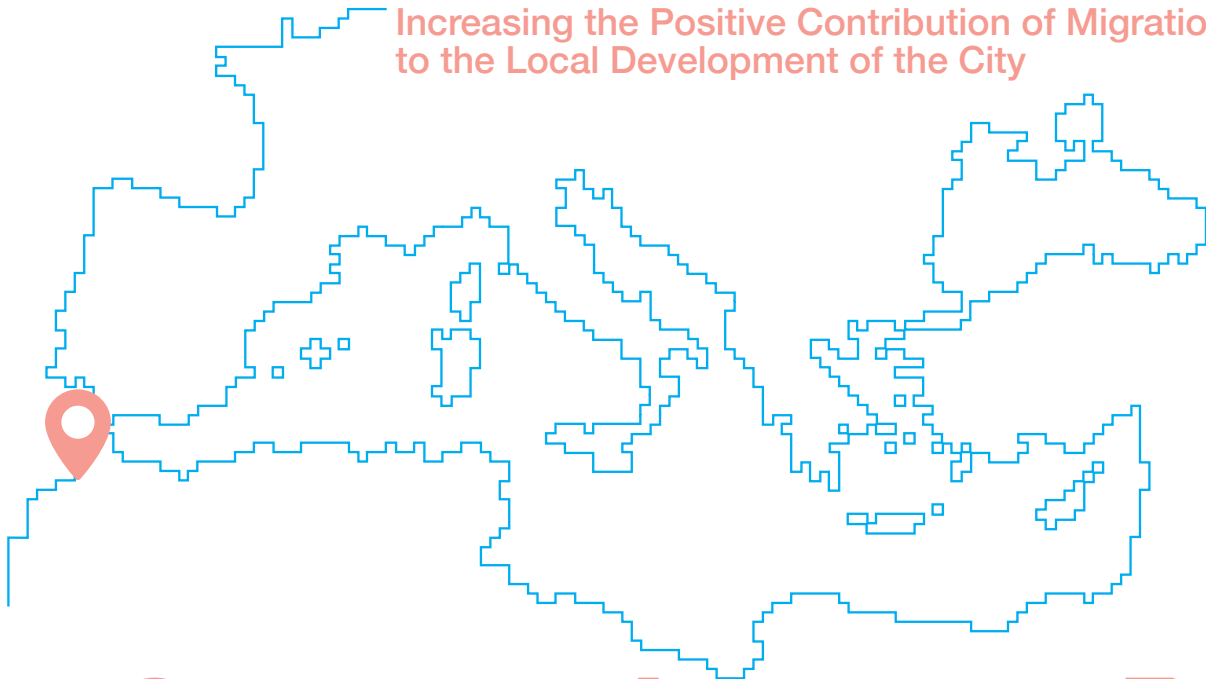

17.9 Promote international support for targeted capacity-building

TARGETED CITY ACTIONS

Migration in Casablanca

Increasing the Positive Contribution of Migration to the Local Development of the City

OBJECTIVE

The objective of this action is to increase the positive contribution of migration to the local development in the city of Casablanca to foster social cohesion between migrant and host communities. It aims to reinforce the engagement of the Municipality to address social protection and discrimination risks encountered by vulnerable populations settled within the less fortunate neighbourhoods of the city.

ACTIVITIES

- Conduct field visits and dialogue sessions to identify the needs and vulnerabilities of the population (women, youth and migrant workers);
- Conduct a training of municipal staff on rights-based migration governance, and 3 trainings to municipal and neighborhood staff on technical and communication skills;
- Establish Migration Coordination Unit (MCU) in Casablanca;
- Establish "Salon of Migrants" to host social gatherings and cultural events for migrants and host communities;
- Organise cultural storytelling events consisting of diverse groups of migrants and local communities;
- Arrange skills-employment matching, and development initiatives conducted by civil society organizations;

OUTCOMES

- Improved migration governance at the local level through enhanced municipal capacities;
- Increased dialogue among local and national stakeholders on migration governance;
- Enhanced political support and action plan for the establishment of a local Migration Management Unit in the municipality aiming at mainstreaming migration policy-making and promoting coordination with national government;
- Strengthened integration of migrants in host communities through cultural events;

MC2CM POLICY RECOMMENDATIONS ADDRESSED

Provision of welcome instruments
 Access to labour market, entrepreneurship, and vocational training
 Access to social and political participation
 Multi-level governance and cooperation

SUSTAINABLE DEVELOPMENT GOALS

10.7
Facilitate migration of persons

11.1
Ensure access for all to housing and basic services

11.3
Enhance inclusive and sustainable urbanisation

مدينة الدار البيضاء
ville de Casablanca

UN HABITAT
