VISIT THE RETURN AND REINTEGRATION PLATFORM!

- **Virtual community of practice allowing for peer-to-peer discussions to share expertise and lessons learnt.**

- **Webinars and proposed e-courses to foster knowledge sharing and learning.**

- **Repository of relevant publications and resources.**

The *Return and Reintegration Platform* is a global tool designed to disseminate **knowledge and good practices in the field of migrant return and reintegration.**

It serves as a catalyst to promote **exchanges among practitioners and policy makers** in host, transit and origin countries and ultimately to foster **multi-stakeholder cooperation**.

The *Platform* has been developed in the framework of the **EU-IOM Knowledge Management Hub**, established by IOM in 2017 and funded by the European Union.
