

Questionnaire on the follow-up and implementation of paragraph 70 of the Progress Declaration of the International Migration Review Forum (IMRF)

Paragraph 70 of the [Progress Declaration of the International Migration Review Forum](#) (IMRF) requests:

“the Secretary-General, in his next biennial report, to propose, for the consideration of Member States, a limited set of indicators, drawing on the global indicator framework for the Sustainable Development Goals and targets of the 2030 Agenda as contained in General Assembly resolution 71/313 of 6 July 2017 and other relevant frameworks, to assist Member States, upon their request, in conducting inclusive reviews of progress related to the implementation of the Global Compact, as well as to include a comprehensive strategy for improving disaggregated migration data at the local, national, regional and global levels.”

The co-leads of the UN Network on Migration (UNNM) workstream on indicators, IOM and UN DESA, would like to ask for your feedback on the critical elements that you would like to see reflected in the Secretary-General’s response to **paragraph 70** of the Progress Declaration of the IMRF.

Please coordinate your response with any relevant stakeholders within your entity and include the contact information of the person who completed it below:
