

Global Compact
FOR Migration

Latin America and the Caribbean

As of April 2023,

- 96 published practices that are implemented in the region
- 1,589 published resources that are relevant to the region

Inspiring practices from the region

Brazil

- Since 2018, the Consejo Municipal de Inmigrantes (CMI) in São Paulo promotes political participation of migrants at the local level through voting and inclusion in policymaking processes
- The CMI consists of 32 counselors who serve two-year terms and work with the local government

"un espacio para el intercambio de conocimientos entre distintas culturas"

Argentina & Chile

- Since 2021, the "Juntos a la par, apoyo a migrantes con discapacidad" initiative from Inluyeme.com has trained 183 migrants with disabilities and 20 have found employment
- Available courses: graphic design, programming, software testing, virtual assistant, and more

"todo está en la capacidad de cada quien"
