Statement by Ms. Weronika Garbacz, Third Secretary

New York, 7 June 2022

**Explanation of Position following the adoption of the Draft resolution A/76/L.58  
on the Progress Declaration of the International Migration Forum (IMRF)**

Mr. President,

Distinguished Delegates,

The Polish government has not supported the Global Compact for Safe, Orderly and Regular Migration (GCM). As a consequence, Poland has disengaged from the International Migration Review Forum (IMRF), whose aim was to review the implementation of the GCM. For that reason, Poland disassociates itself from the IMRF Progress Declaration, as adopted by the Forum. Please refer further to Poland's *Explanation of Position* delivered at the closing segment of the Forum on 20 May 2022.

Thank you.
