## Measuring progress: GCM indicators

UN DESA  
IOM GMDAC

GCM Talk on indicators in the Latin America and Caribbean region

27 July 2023  
Online

# Paragraph 70 of the International Migration Review Forum Progress Declaration

Member States 'request the Secretary-General, in his next biennial report, to propose, for the consideration of Member States, **a limited set of indicators**, drawing on the global indicator framework for the Sustainable Development Goals and targets of the 2030 Agenda as contained in General Assembly resolution 71/313 of 6 July 2017 and other relevant frameworks, to assist Member States, upon their request, in conducting inclusive reviews of progress related to the implementation of the Global Compact, as well as to include **a comprehensive strategy for improving disaggregated migration data** at the local, national, regional and global levels.'

# Deliverables

## 2023

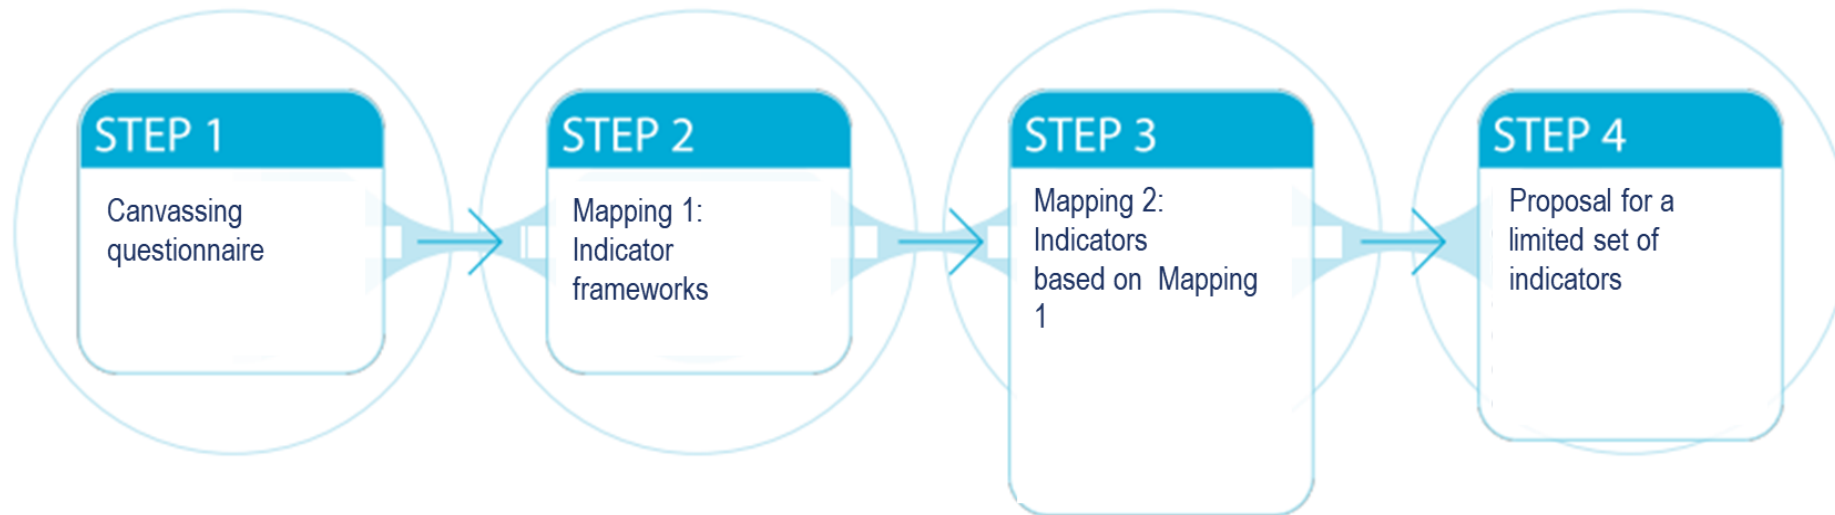

1. Conduct a **mapping** of relevant approaches to measuring the governance of migration in general and with a specific focus on the Global Compact for Safe, Orderly and Regular Migration
2. Develop a **discussion note with a proposal** for a limited set of indicators, building on existing indicators and data collection processes, including SDG indicators and the work of the UN Expert Group on Migration Statistics
3. Conduct **consultations** with Member States and a wide range of relevant stakeholders on the limited set of indicators

## 2024

1. Develop a **comprehensive strategy** for improving disaggregated migration data
2. Conduct a **technical consultation** on the draft comprehensive strategy for improving disaggregated migration data

# Workstream 1

## Overview of the process for identifying the preliminary proposal of the limited set of indicators

# Progress on deliverable 1: Canvassing questionnaire

- 99 total responses of which 33 by Government entities from all regions
- Respondents agreed that the limited set of indicators should:
  - Be used to monitor progress **over time** (94%)
  - Incorporate the **Guiding principles** of the GCM (91%)
  - Be used to inform **evidence-based** policy making (90%)
  - Have an **agreed methodology** (89%)
  - Highlight gaps in the implementation of the GCM (88%)

# Next steps

## August

- 1 survey for Member States and stakeholders to gather their views on the preliminary proposal

## September/ November

- Revised proposal of the limited set of indicators (2nd)
- 3 global consultations for Member States and stakeholders in New York, Geneva and online
- Revised proposal of the limited set of indicators (3rd)

## Late 2023

- Final revision of the proposal of the limited set of indicators (4th and final)
- Proposal submitted for consideration of the Executive Committee of the UN Migration Network

# Presentation of the preliminary indicators and interactive discussions

# Guiding questions

1. Is the proposed limited set of indicators for the GCM suitable in terms of its relevance, scope, coverage, balance and ability to compare progress over time and across different countries and regions?
2. Does the preliminary proposal align well with global frameworks, such as the SDGs, while also reflecting regional migration dynamics?
3. Are there any additional specific migration dimensions or sub-regional variations that should be considered in the proposal?
