## **UN Network on Migration Workplan / Priorities**

**Promoting inclusion** with particular focus on ensuring migrants are part of the COVID-19 Response & Recovery efforts.

- a. Migrants have increased access to health care and essential services (including testing, treatment and vaccination against COVID-19) regardless of migrant status and access social protection.
- b. Migrants, regardless of status, are integrated in their communities and workplaces and recognized as vital contributors to Thailand's economy and society.

### **Ensuring the protection of migrants in situations of vulnerability**

- a. The rights of migrants in detention settings are respected, conditions in immigration detention facilities are improved and there is an increase in the range of alternatives to detention
- b. Victims of trafficking and other migrants in situations of exploitation or human rights abuse and violations, have access to services through strengthened identification, referral and protection.
- c. Migrant children and youth have increased access to inclusive and equitable quality education.

Ensuring migrant workers have **access to safe, orderly, regular & affordable migration** channels & that their rights are respected.

- a. Ethical recruitment and decent employment options are available for migrant workers especially in the context of the COVID-19.
- b. Migrant workers, their employers and the general public have increased awareness on the rights and contributions of migrant workers.

## Guiding Questions

In reviewing the Cooperation Framework (CF) and <INSERT COUNTRY NAME> UN Network on Migration (UNNM) priorities:

**1. How do the UNNM <INSERT COUNTRY NAME> priorities align with the proposed CF strategic priorities?**

*What is the overlap/alignment regarding specific thematic areas?*

*What thematic areas could be expanded upon or further developed (for example, within the UNNM priorities, or vice versa within the CF) to ensure priorities align for coherent UN-system wide support?*

**2. What is needed to promote synergies and ensure that UNNM <INSERT COUNTRY NAME> priorities support the achievement of CF outcomes?**

*Think about concrete actions to be taken in terms of partnerships, joint programming, data, information sharing/coordination, funding etc.*
